Hello!

We are James and Henny and between us we've worked in more fine eateries than you can shake a stick at.

We've spent years running some of the best independent restaurants around, creating mouth-watering menus and hosting superb events for happy people.

We can honestly say we have THE BEST team who all take pride in their work and will strive to bring you the best day at Ashton Court Mansion.

*From start to finish Paxton and Brown
were amazing.*

*Henny, James and the whole team were
amazing on the day and the food was
